Thank you for taking the time to purchase the items we have requested. It is easier for us to store all the items at once until they are used. Otherwise it is difficult for us to keep track and send notes when something is needed. Watch the summer sales for bargains. Last year some parents found that certain supplies were already sold out by the end of the summer. Shop early if possible.

***Please purchase the brands indicated as they have shown to be the most durable for daily classroom use**

Supplies that are not used during the year will be sent home at the end of the year.

*** If your child cannot tie shoe laces, please send Velcro types. They change shoes every time they go out for recess.**
